@everyone Do not advertise when anyone with LTT in their name (Dibzz, Nico, etc) is on TF; they might be against us.

Morticia [∞p] 11/1/2019 9:44 AM

Nevermind, she was just clearing them since the link was spammed.

Morticia [∞p] 11/1/2019 11:15 AM

@everyone Advertise via direct invite link on the server on TF platforms only once per hour as the new policy states that.

Morticia [∞p] 11/1/2019 11:25 AM

^ confirmed by Seth: they said they hate advertising. Don't advertise at all when Seth is online, and advertise via more covert methods.

Morticia [∞p] 11/1/2019 11:42 PM

^ apparently items count towards the once per hour. What, are they gonna make you be able to possess the item for 1 tick then disallow it for 1 hour?

Morticia [∞p] 11/1/2019 11:51 PM

^ seems like the only way to advertise while avoiding the rule is adding your target to Discord then sending them the link; TF can't forbid that *unless* Seth releases a new policy stating you can't "advertise" any social media or messenger accounts you have.

@everyone

Morticia [∞p] 11/2/2019 1:14 AM

Due to TF being down, the quests for today will also be the quests for the next day

@everyone Also, invite people to this server and to TF even if they didn't know about the server before! They only have to play Minecraft

Morticia [∞p] 11/3/2019 12:18 AM

@everyone Remember that we have #deleted-channel! TF should be up now and you can do them.

Morticia [∞p] 11/3/2019 3:20 AM

@everyone React to this with 🌟 if you want this community to be separated from TF

Morticia [∞p] 11/3/2019 6:01 AM

@everyone Impending doom is approaching everyone who messed with channels and permissions

Morticia [∞p] 11/3/2019 6:12 AM

That included Noah who was banished to the shadow realm by an intellectual
Also, server is no longer a TF clan

Morticia [∞p] 11/4/2019 6:49 AM

@everyone Tomorrow I might host one of the #events
Or a beta version of one of them

Morticia [∞p] 11/9/2019 3:17 AM
